## **Internet Pharmacy Policy**

In order to provide our clients with the highest quality of care, services, and products, **Bergheim Pet Hospital does not conduct business with Internet Pharmacies.**

Internet pharmacies **have been linked** to the following **illegal activities**:

- Selling short dated or expired medications
- Selling counterfeit medications
- Selling illegally imported foreign medications
- Reselling medications as a 3<sup>rd</sup> party
- Forging prescription authorizations
- Selling regulated medications without a prescription
- Electronic signature capture and forgery (from faxed prescriptions)
- “Slamming” veterinary offices with repeated phone calls and faxes

Any fax or call received from an internet pharmacy will be declined with instructions to have the client contact our office.

Upon request, a written prescription can be provided to a current client who chooses to take the risk of doing business with an internet pharmacy.
